

IOG Shop

Welcome to the IOG Shop. The products available for purchase are education/reference books and Health & Safety documents. The books will be posted to you once we receive your order.

Please note for book orders outside the UK there will be an additional cost for delivery. This charge will depend on the weight of the products. Once you confirm your order we will email you a breakdown of the additional amount due.

For the health & safety documents you will be able to download directly to your PC once you have completed your purchase by accessing the purchased items page under the shop.

If you would prefer to be invoiced for your purchases please download the linked order documents, complete and forward to us with a copy of your purchase order.
