

IOG Regional Roadshows

Further to launch of the IOG's 6 year plan at IOG SALTEX 2006 we would like to get your feedback and input on the development of an operational plan. The overall objectives that are detailed in the strategy document were agreed through consultation with members and partners from across the industry, for the future benefit of the industry. To ensure we deliver the plan, we need your help.

To enable you to have your say on the future direction of your organisation and your industry we will be holding a series of regional meetings where we will invite your questions and feedback. The outcome of these meetings will form the basis for the operational plan that will impact on all of our members and the future of the IOG and as such I would urge you to be involved.

Every member received a copy of the strategy document with the October edition of the Groundsman. If you require a duplicate copy please contact head office or you can download a copy online at www.iog.org.

Attached are the dates and venues for the meetings, which have been arranged in conjunction with your regional committees. Please complete the attached form and return to:

The Institute of Groundsmanship
28 Stratford Office Village
Walker Avenue
Wolverton Mill East
Milton Keynes
