#### ABOUT HAMPTON SCHOOL

Hampton is one of the country's leading, most successful and best-resourced independent schools and has been helping boys to fulfil their potential and realise their aspirations for nearly 460 years. We are a lively, friendly and caring School community, where innovative teaching is underpinned by strong shared values and complemented by outstanding pastoral care. We aspire to enable our boys not only to make sense of the world but also to want to go out and improve it.

The School's examination results and university entrance record consistently rank among the very best achieved anywhere, while the very wide range of co-curricular activities on offer provides each boy with the opportunity to shine and the means to explore new interests. Nearly all our leavers go on to undergraduate courses at Russell Group or equivalent universities/medical schools. Around 25 Hamptonians gain places at Oxford and Cambridge each year; an increasing number go on to study at US Ivy League universities, often on academic and sporting scholarships. Our alumni network is extremely strong and former pupils remain very interested in their School, in no small part due to the exceptionally warm and mutually respectful relationships enjoyed between staff and pupils.

Situated on a green field site in a leafy suburb of South West London, we are fortunate to have over 27 acres of playing fields within our spacious grounds and a generous investment programme ensures that our pupils and staff enjoy the use of first-class facilities across all areas of School life. These include a state-of-the-art, all-weather 3G sports ground, a large Sports Hall and The Hammond Theatre, along with an excellent library and specialist facilities for Art, Science, Technology, IT and Languages. In terms of future projects, we are looking forward next to the opening of our new Sixth Form Study Centre in Autumn Term 2018. The Millennium Boat House, shared with our neighbouring girls' school, Lady Eleanor Holles, enjoys a prime location on the nearby River Thames and provides the focal point for our renowned and highly successful Boat Club.

Visitors from the Independent Schools Inspectorate (ISI) concluded in March 2016 that Hampton's academic and all-round excellence merited the rarely awarded ISI assessment of pupils' achievements and learning as being 'Exceptional'. The inspection team's findings in all other areas were similarly pleasing and the highest possible judgements were achieved across the board. A copy of the full ISI report can be found on the School website.

We hope you share our vision for an inspiring, modern and exciting education. Further information for prospective teaching staff can be found at [www.hamptonschool.org.uk/vacancies/workingathamptonschool](http://www.hamptonschool.org.uk/vacancies/workingathamptonschool)
